### Event format:

The event will return to the previous format, which is highlighted by a formally judged *Concours d'Elegance* with Crystal trophies (or similar). The *Best of Show* will be the first to be presented with the perpetual trophy, which is currently being commissioned.

The event will be open to **all cars** – no exceptions to this. The event is a fundraiser, a portion of every entry fee received benefits research programs funded by Retina Australia Victoria.

There will also be a less formal judged *Show 'n' Shine* component, the winners of which will also receive prizes.

All car enthusiast and car clubs are encouraged to make this part of their event calendars.

### Tour d'Elegance:

To mark the Centenaries of Alfa Romeo and Bugatti we are planning a *Tour d'Elegance*. This tour will be open to all Alfa Romeo & Bugatti cars, with a focus on the pre-war automobile. The invited cars to the Tour will be limited to Pre-War vehicles. Victoria has some fine driving roads, which in some respect bear a likeness to those of the Targa Florio and Mille Miglia, of which both the Alfa Romeo and Bugatti marques have won multiple times, particularly in pre-WWII times. The *Tour d'Elegance* will commence in central Melbourne on Friday 18<sup>th</sup> November and finish up at the Concours venue.
